

If God is really in control,
why do bad things
happen to good people, like me?

ACTION PLAN

If God is really in control, why do bad things happen to good people, like me?

1. What circumstances in your life lead you to question God's sovereignty?
How do you feel about God's hands in the day-to-day events in light of these circumstances?

2. Is there something that God is teaching you in your life's season now? Are the circumstances in your life helping to reinforce what God wants you to learn?

3. How are your current circumstances helping you build character that will prepare you for the plans that you know God has for you?
