Enjoy Work

The Lord God took the man and put him in the Garden of Eden to work it and take care of it.

GENESIS 2:15

What are the things about your work that is not enjoyable? or are not pleasant experiences? or does not seem to be a blessing from God? These are the things that you need to offer to God in order for us to begin seeing our job as a blessing from God.

Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.

COLOSSIANS 3:17

Do you consider working for God and with God in your work? When are the circumstances when you know that you need to specially tap on God's abilities and power to carry out what you need to do?
